

SUPER ALL STARS

2022-2023 - 3/4 SEASON SENIOR ELITE

Birth years 6/1/03-2010

Possible levels 4, 4.2, 3 and 2

Truly the best of both worlds - Our 3/4 season senior elite program will be competing for a bid to the D2 Summit in Orlando, FL. Previous cheerleading and/or gymnastics experience is required. This program has been specifically designed to accommodate highly competitive high school athletes by training skills and choreographing the routine in the summer, minimized fall practice and competitive performance to ensure preparedness (after IHSA State) to have max competitive opportunities to earn a bid. Competitive high school athletes will break from Super practices during the IHSA competitive cheer season to comply with IHSA rules. Athletes that are non competitive high school athletes must continue training sessions during the IHSA winter season break.

Required Parent Meeting - Thursday, June 2, 7:30pm (Meeting) over Zoom. One parent or guardian will need to be present at the meeting for athletes to be eligible to participate in Team Evaluations. You must email to sign up for the meeting: gina.alatzakis@supercda.com and receive the login information.

Team Evaluations -

June 6, 8 & 13 7-9pm (it's advantageous for athletes to attend all 3 days as we will evaluate different skills at each) - Held at The ARC 8201 Janes Ave. Woodridge, IL (temporary site until gym opens at 7221 Lemont Rd, DG, IL) Every athlete must sign up for Evaluations -- www.supercda.com/book-online
Athletes will be placed on one of our teams based on skill evaluation. We anticipate two teams. If athletes are not suited for one of these teams, we will place them on either our Junior elite program starting in September or our 1/4 Season Senior Elite team starting in February.
